REMINDERS FROM YOUR HOA

1. With spring around the corner, all exterior changes to your home or landscaping must be submitted and approved by the Architectural Review Committee (ARC) prior to starting work. Information and an easy All-in-One form are available online.
2. Bandit, or metal stick up signs, with pool/screen/landscaping company information are not allowed within the community EXCEPT while work is being performed. Upon completion, they must be removed. All other signage, such as "Please Slow Down" are not allowed at any time. Complete ARC Guidelines are also available at EagleLandingOnline.com.
3. Dumpsters: Receptacles located on builder's private property are for construction debris only. Be advised that under Florida law, there could be substantial penalties for "dumping" should the builder(s) choose to pursue the issue. Dumpsters located on SVCDD property also fall under this rule. Household garbage including furniture and tires are NOT to be placed in these areas also. The Rosemary Landfill, located in Green Cove Springs, accepts tires, electronics (TV and computers-destroy the hard drives first).
